New: Annual ticket for Europa-Park - fantastic leisure experience for the whole year... with just one ticket

Experience and enjoy the four seasons at Europa-Park - since November 30th this is possible with the inexpensive new annual ticket.

Those who have been to Europa-Park before, know that each season has its very own charm. Visitors can enjoy a sea of flowers and blossoms in spring, take a splashing and refreshing trip with the water roller coaster "Poseidon?" in summer, visit the fascinating and spooky Halloween-Festival in autumn or stroll through the beautifully illuminated wintry landscape during Christmas season - each time, Europa-Park is a fascinating experience and a great destination for the whole family.

All those, who want to experience the rotation of the seasons at Europa-Park, can purchase the annual tickets at a great price: 120,- € for adults, 99,- € for children and 105,- € for senior citizens - fun and action all year long in Germany's biggest leisure park.

In addition, owners of the annual ticket can also visit the leisure parks Efteling (NL), Liseberg (S), Parc Astérix (F) and Alton Towers (GB) for free. The new annual ticket, which is not transferable, is available now - and maybe it is a good present for your loved ones?
