Comparison of leisure parks: Europa-Park is "class winner"

Europa-Park in Rust is the winner of a survey, which has been conducted by the journal "Bus Blickpunkt?". Among other things, attractions and novelties, cleanliness, quality of the restaurants, parking and service possibilities for busses, support of bus drivers, special offers for groups and the price-performance ratio were rated.

174 bus tour operators have completed the questionnaire and given the best grade 1.66 to Germany's market leader. Runner-up is the "Autostadt Wolfsburg?" with the grade 1.77, followed by "Heidepark Soltau?" with a 1.94.

"Leisure parks are the link of bus tourism to younger travellers?", said Michaela Rothe, editor of the journal "Bus Blickpunkt?", during the awards show. Due to its manifold leisure possibilities for all age groups, Germany's biggest leisure park is suitable for both, day trips and stays of several days' duration. Approximately 20 percent of Europa-Park's guests arrive by bus. Being aware of the importance of bus tour operators, Europa-Park offers the special bonus-package BUS PLUS:
