Customers appreciate the idea: over 1,000 events a year are held in Europa-Park.

providing a touch of holiday flair – and a golden opportunity to leave the daily grind behind for a while....

In addition to traditional conference facilities and function rooms, various locations can be booked in the theme park itself or in the themed hotels on the grounds – as can the entire park premises, for that matter. In addition, a vast array of restaurants, bistros and bars are available for events of all kinds throughout the park premises. With everything from a rustic beer cellar over a vintage 1920s “Pavillion of Mirrors” to the festive classical décor of the ballroom “Berlin”, Europa-Park offers numerous options for events of all shapes and sizes. Whether it’s a family gathering or a corporate function, a conventional conference or seminar, a presentation, jubilee or wedding - the customer picks the setting and designs his event exactly as he desires.

New: Real „Wild West feeling“ is waiting for all adventurous visitors in the new „Silver Lake Saloon“. Here, the guests not only enjoy a breathtaking view over the Camp Resort and the idyllic lake, but also plenty of entertainment and culinary delights are guaranteed.

New conference facilities

Located in the new event and information hall “GAZPROM theme world – the wonder of energy”, new premises invite to professional conferences in an extraordinary environment. With a total of 300 square meters on the first and second floor of this futuristic building, the two new conference rooms go well with the puristic exhibition. The modern interior strikes with bright rooms, white furnishing and straight lines along with the most modern communication technology. Especially the conference room on the second floor offers conferences and entertainment on top level with a spectacular view of “blue fire Megacoaster” and the whole Europa-Park all the way to the hotel resort.

The joys of themed dinner events

Unforgettable evening programmes top off every event here. With over 150 artists from approximately 20 countries, Europa-Park’s international and multifaceted assortment of shows includes the right diversion for every taste. Other evening events can be booked as well. Confertainment also invites customers to create their very own special evening programme, which is organised and executed entirely according to their desires. Whether festive, casual or rustic: at Europa-Park, not a wish goes unanswered.
