Europa-Park is „Best Theme Park“

Europa-Park is the best theme park in Germany! Approximately 43,000 readers of the German theme park website parkscout.de have participated in this year's Parkscout Award election and decided that Europa-Park is the winner in the category "Best Theme Park". Thus, Germany's biggest theme park proves once again that it is at the top of the popularity scale among German theme park fans. Moreover, the "blue fire Megacoaster", which was opened last year, was honoured with the award as "Best Theme Park Novelty" 2009/2010. The unique show programmes at Europa-Park were even honoured twice in the category "Best Theme Park Show".

This year, Europa-Park was voted among the top three theme parks in Germany in six of altogether 14 categories. In addition to first places in the categories "Best Theme Park" and "Best Theme Park Novelty", Germany's biggest theme park also scored with its fantastic show programmes: the fascinating variety show "Magia" in the Teatro dell'Arte is the winner in the category "Best Theme Park Show", runner-up is yet another Europa-Park Show, the stunt-show "Duel of the Brothers" in the Spanish Arena. Moreover, Europa-Park was among the winners in the categories "Best Themed Hotel" (2nd for hotel Colosseo, 3rd for hotel Santa Isabel), "Best Theme Park Event" (2nd for the "Magic Moments", 3rd for the "Terenzi Horror Nights"), and "Best Roller Coaster" (3rd for "blue fire Megacoaster").

With a record participation of approximately 43,000 persons, the audience prize Parkscout Award is an important indicator for the German theme park industry. Being among the top three German theme parks nine times this year, Europa-Park once again confirms its position as market leader in Germany.
