

## MEDIA INFORMATION

### VEEJOY – one Platform, all the Content

**Launching soon! VEEJOY, the new streaming platform of Europa-Park, will soon offer 'Theme Park on Demand' for all fans of Germany's largest theme park. VEEJOY combines all types of media content and will bring them together on a modern platform.**

Users will be waking up to exciting audio plays in the morning, listen to the 'EUROPA Radio Talk' podcast on their way home from work or end the day with one of the MackNeXT and MackMedia movies for the whole family. With VEEJOY, stories from Europa-Park and Rulantica can now be experienced anywhere and anytime. The platform also offers interesting behind the scenes footage, for example through the 'Weekly' format. Whether Ed and Edda, Madame Freudenreich and her dinos or the adventures of the Adventure Club of Europe – VEEJOY will bring the Europa-Park Resort magic to you. Always.
